**To my Classmates of "Old" . .**

This poem was sent your way  
"Ten" years ago . . to date  
But for reasons yet unknown  
. . You're destined to receive it late.

It's really quite a simple poem  
But one that was fun to compose  
Hope all of you are without "life's problems"  
& that your "chronological age" doesn't show!
